## About Us

Alcolabs Limited is a company incorporated with the aim of procuring and distributing quality pharmaceutical, medical laboratory reagents equipment and consumables, hospital equipment and furniture, veterinary drugs and equipment and water testing equipment and consumables.

We are located in Juba, South Sudan on Tumbra Road where we serve a wide range of clientele including Non-Governmental Organisations, Ministry of Health South Sudan, Public Hospitals and Private Clinics in the regional market at competitive and affordable prices.

It is a subsidiary company of Alcolabs Limited, Kenya whose headquarters is in Nairobi, Kenya. The latter is a leading Supplier of Medical products in the region.

## Mission

To provide quality scientific products that enhance harmony between patients, research scientists and doctors.

## Vision

To be a one stop medical warehouse in the region providing medical quality medical products at affordable costs.

## Core Values

- Loyalty
- Integrity
- Service to others
- Innovation
- Excellence
-

## FAQs

### How do I place an order with Alcolabs?

If you have an account with us, you can:

Call any of our telesales team and place your order on the phone

Send an LPO (where needed with a rubberstamp) via fax or Email with delivery instructions

Place an order with any of the regional marketing representatives

### I would wish to place an order but do not have an account with Alcolabs. What Should I do?

Please fill out the order form (found on our website or e-mail to [info@alcolabslimited.com](mailto:info@alcolabslimited.com) and request for one) and attach a Banker's Cheque or Cheque.

You can come or send someone physically with the order and a cheque, Banker's Cheque or Cash to collect the items

You can also request for an application for Account form and return the same. We shall come back to you within 48 hours from the receipt of the application

Call us at Alcolabs and ask to be visited by a regional representative who shall get the Account application form filled out and order collected

### How will you deliver?

Delivery vans, Motor bikes, or other courier services

Juba: Goods ordered before noon shall be delivered by Alcolabs on the same day

Out of Juba: Goods ordered before 2.00 pm shall be delivered through any nominated courier - Securicor

**Please visit our website for more answered questions.**
